

## Results 2024

### Information for Candidates

Firstly, for the very many pupils who are celebrating excellent results today, our warmest congratulations. If, for whatever reason, you have not had the results you were hoping for, please be reassured that staff are on hand to help and assist in any way they can.

If you have any queries or concerns about your results, then we hope that the following information will be useful.

#### **Statement of results**

Statements of results (results slip) include the examination board, the exam level, the grade awarded and the mark. Please note that this is not the official certificate but this can be used as proof of results for enrolment at college /employment purposes. If you are receiving BTEC/OCR/VTCT award results you will have grades represented by letters rather than numbers.

Staff will be on hand to support you once you have received your results. Should you need further support or guidance in light of your results, please speak to a member of staff on site on results day or contact school at a later date. Any email queries should be directed to the Examinations Officer at [\*\*office@lordderbyacademy.co.uk\*\*](mailto:office@lordderbyacademy.co.uk). Queries will be answered as quickly as possible.

#### **Post-Results Services**

An information sheet is included which requires your signature and contact number. Staff will analyse results and we will contact you if we believe a review may be required. Further information can be found on our website at [www.lordderbyacademy.co.uk/curriculum/exam-and-assessment-results/ks4-exams-2023-2024/](http://www.lordderbyacademy.co.uk/curriculum/exam-and-assessment-results/ks4-exams-2023-2024/)

#### **Destination information**

All pupils must inform us of their destination. You will be asked to complete a document stating where you are moving on to. Please include an up-to-date contact number and email address.

#### **Careers advice**

School staff and career connect advisors are on site on results day. There will also be representatives from local colleges. If you require further advice, you can contact career connect staff at [\*\*adviser@careerconnect.org.uk\*\*](mailto:adviser@careerconnect.org.uk) or call 0151 600 7700.

Additional information is available via the National Carers Service at [\*\*https://nationalcareers.service.gov.uk\*\*](https://nationalcareers.service.gov.uk)

Please speak to a member of staff if you are unsure of anything.

We wish you the best for the future as you move on from Lord Derby Academy.
