Dear Parent/Carer and Pupil,

We hope you are well and are having an enjoyable summer.

GCSE Examination Results 2024

GCSE results will be available to pupils from **10am on 22nd August 2024** either in person, or via email, if they would prefer not to attend site or are unable to do so.

Information for pupils

Remote receipt of results

If you are unable to attend site, or would prefer not to attend site, then we can arrange for your results to be sent to you on results day. We will need to know in advance that this is your preferred option. There is a 'Candidate Permission Form' available on the school website. Please download the form, complete it and email it to office@lordderbyacademy.co.uk or hand it in to reception by **11am on Wednesday 14th August 2024**. Results will be emailed or posted to you on 22nd August 2024 to the email/address you provide. Please be aware that emails will be sent **after** the examination officer has finished issuing face to face results. Emails will be password protected. The password will be the candidates date of birth in a 6-digit format (e.g 251208 for 25th December 2008).

Collection by a representative (e.g. parent/carers)

Results can only be issued to a pupil, unless the pupil him/her/themselves provides written consent for somebody else to collect them. If this is the case, the person must bring with them proof of the pupil's written consent and they must have photographic identification with them.

Review of Results Information

There may be some instances where the school or candidate consider a Review of Results may be advisable. This is not a re-marking of the script but a review of the marking that has taken place to ensure that the agreed mark scheme has been applied correctly. Please note that grades can stay the same, go up, or go down following this service. Staff will discuss this with you on or after results day. A cost is attached to this service. Please ensure we are able to contact you after results day.

Script Access

Schools can request access to scripts, with candidate consent, to assist in making decisions about reviews of results requests and to assist with teaching and learning. You will be asked to complete a script access consent form on results day.
